

Resolutions for AGM as per Clause No.29 of The Constitution of CINTAA

To,
The Executive Committee,
Cintaa Mumbai

Date: 16/4/16

1st RESOLUTION

I propose to understand the progress of the Committee regarding Conveyance Money, Artist's Remuneration and Shooting Shift of 8 Working Hours.

Above 3 issues are very important for General Members. In Last Elections, we actors supported and Present Committee members win by majority of votes. We are expecting the Changing Scenario in our Working Conditions because that Affect and Matters us.

What are the Present committee's achievements after completing 1 year?
I want to ask and know in General about the development and progress in AGM.

2nd RESOLUTION

I propose to make a correction in the Resolution for Revoking the Expulsion of Mr. ARIF SHEIKH and Mr. Brijesh Karanwal.

It seems prejudice involved in the expulsion of Mr. Arif Shaikh and Mr. Brijesh Karanwal and the process of AGM was not followed "The Constitution of CINTAA". In this matter, the permeation for House Discussion was not granted by the chair. This appears totally unconstitutional and negligence of Trade Union Laws.

We, the Actors believe in Honesty and we are well aware about their request. They only want "to be heard". If we denied than it is against the Law of Natural Justice. At least, we can provide them an opportunity to be present in the AGM. After hearing their explanation, "The House" will decide about their expulsion by Majority of votes. As we know, The HOUSE is SUPREEM.

So I demand correction in Agenda No.8 for Revoking the Expulsion of Mr. ARIF SHEIKH and Mr. Brijesh Karanwal "Without placing any Condition".

Being a cintaa member, these are my primary concerns.
Please provide me sufficient time to address the house.

Thanking you
